The rest is easy! Set-by-step point and click instructions will guide you through enrollment and set up. Use the full website to enroll and setup new payees in Bill Pay. Once you have, you can send payments through our mobile app.

## My Bill Pay

My Bill Pay is a convenient way for you to pay your bills from one secure website. Stop buying checks, envelopes and stamps! "Online bill pay from your financial institution is ten times safer than mailing checks" -The Aite Group

### How it Works-

#### Add a Payee-

- From the payees menu select *Add a payee*.
- Choose what type of payee you are adding.
- Add the payee information and click *Next*.
- Review for accuracy, then click *Submit*.

#### Make a payment-

- Go to the *Payments* menu and select your payee.
- Enter the payment amount and process date, then click *Pay*.
- Review for accuracy.

## Receive your Bills Online

One of the many benefits of Bill Pay is the ability to receive bills electronically. Not every company is set up to send e-bills yet, but the list is growing every day. To begin receiving e-bills from a payee you've already established, simply click on the 'E-bill' link next to the biller's name. Then follow the simple instructions for e-bill setup.

## So Many Benefits

- Easy to set up – follow simple point and click instructions.
- Authorize checks to be sent to anyone, from babysitters to utilities.
- Keeps a payment history register.
- You can set up recurring payments – like mortgage and car payments or insurance premiums.
- Schedule payments at your convenience. Some billers can receive next-day payments and some even same-day payments.
- Add billers quickly with just an account number, address, phone number, and zip code.
- No additional sign-on or passwords to remember – just click the 'Pay and Transfer' icon from **It's Me 247**.
- Monitors the status of your payments.
- You have complete control.
- Receive notice when e-bills arrive.
- Schedule reminders and recurring payments.
