

## See/Jump It'sMe247 Authorization Form

Primary Member \_\_\_\_\_ Member # \_\_\_\_\_

I am authorizing the credit union to give the following member(s) full access to my account through ItsMe247, the online banking platform, and also the Audio Phone Banking system. This may include subaccounts on which they are not joint owners.

- "See" authorization means that the following member may see anything under my member number.
- "Jump" authorization means that this member may "jump" into my member number and do anything I can do.

I understand that because I have authorized this access, the credit union may not be held liable for any transaction(s) done through ItsMe247 on my account(s) by the member(s) named below.
