Members of Huntington County Federal Credit Union (HCFCU)

Re: Merger

I would like to officially introduce myself; I am Carolyn Mikesell, I have been serving your credit union as CEO since December 1, 2021 when Kathy retired after serving as CEO for 18 years.

Kathy, and your Board of Directors (BOD), determined that a partnership / merger would provide a distinct advantage for the members of HCFCU, and chose Public Service as their trusted partner. The BOD made the decision to pursue a merger so HCFCU could continue to, and expand the financial services offered to you, the members. By combining resources with Public Service CU, the BOD, Kathy and I believe we can provide YOU more. Public Service CU is the oldest CU in Fort Wayne, serving members since 1932.

With a merger between PSCU & HCFCU we will be able to offer you mortgages, home equity loans and lines of credit, credit builder loans, better loan rates on consumer loans, an interest-bearing checking account, higher dividends on your money, electronic documents, Remote Deposit Capture, E-alerts and notices, financial counselors, 2 branches in Fort Wayne, and many other services. Check out our website for more information: [www.mypscu.com/welcome/](http://www.mypscu.com/welcome/)

The HCFCU branch on Old US 24 will remain open and your favorite employees will still be serving you!

Thank you for your continued loyalty, support, and membership at HCFCU. We are excited to partner with Huntington County FCU and we look forward to serving you in 2023.

Respectfully,

Carolyn Mikesell, CUCE
